It was observed that clarification on some of the points raised by few Creditors and also the Consultants to Resolution Professional, were not received from Resolution Applicants (**RAs**). As such, verification about compliance of RFRP and provisions of IBC could not be examined. The RAs have been given time upto 23.07.2021 to submit clarification and also to re-examine financials, with a view to improve the same in favour of COC.

Catalyst, has once again requested both RAs to consider enhancing the amounts payable to Debenture Holders, increase cash component and reduce the tenure of payment in the form of new NCDs to be issued.

A separate communication by way of emails, explaining the options / actions exercisable by Debenture Holders and consequences of the same, is being sent shortly to enable them to take informed decisions, while voting on the Resolution Plans.
